Create your light shape

Light can shape your mood, and now you can shape your light, with bendable Neon Flex Strips from Philips. With 3 meters of flexible light strip to play work, we're sure you can create clever and delightful shapes to beautify any room. Set the mood with neon gradient color effects. And because they have WiZ connected technology on board, you can easily control them using your Wi-Fi and the WiZ app, remote, or your voice.

Easy setup

- Easy plug and play

Smart control

- Control from anywhere with your smartphone
- Go hands-free with voice control

Smart features

- Automate your light with schedules

Light modes

- Millions of colors and dynamic light modes
- Multicolor with gradient effect

Form factor

- Create unique shapes with bendable light strips

Highlights

Easy plug and play

WiZ works with your existing Wi-Fi router, no additional gateway is needed. Simply plug in your new light, download the WiZ app and you're ready to go!

Control from anywhere

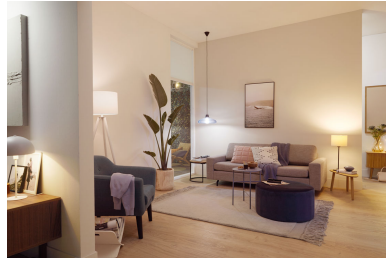

Control your WiZ lights wherever you are with smartphone. No need to worry if you've left your lights on before leaving home. WiZ app is available for iOS and Android.

Go hands-free with voice control

Control your lights with just the sound of your voice, simply enable integration with Google, Alexa or add to your Siri shortcuts.

Automate your light with schedules

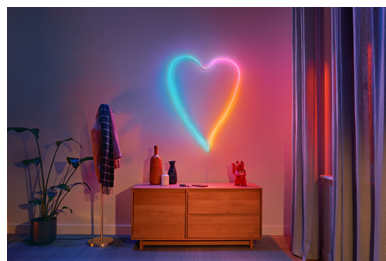

Automate the lights to fit your daily or weekly routines. Schedule your light to turn on before you arrive home and keep it off when not needed.

Millions of colors and dynamic light modes

Choose from a palette of millions of light colors to create an amazing atmosphere in your home. Enjoy the subtle differences that our dynamic light effects glow your environment.

Gradient colors

This 3m light strip is designed with gradient effect. Set dynamic light modes with the WiZ app to create a pleasing, dynamic ambience.

Easy to shape

Bend these light strips into a circle, a star, a heart, a musical note, etc. Light strips mount easily with the included wall-mounting accessories.
